

Fakulteit Ingenieurswese – Faculty of Engineering
Engineer your future!

Department of Process Engineering Departmental Postgraduate Application Form

Thank you for your interest in our Department. Please visit our website (<http://process.sun.ac.za/postgraduate/prospective-postgraduates/>) for more information on the specific programmes we offer. Remember to also complete the **institutional application** (www.sun.ac.za/pgstudies) in order to be considered for supervision at the Department of Process Engineering. Send the completed form, as well as the necessary documentation listed below, to Mieke de Jager at miekedup@sun.ac.za.

<p>Compulsory supporting documentation required:</p> <ul style="list-style-type: none"> ✓ Full academic record ✓ Certificates of qualifications ✓ Three reference letters ✓ Copy of ID/Passport 	<p>Optional supporting documentation:</p> <ul style="list-style-type: none"> ✓ Curriculum vitae ✓ List of publications & conference proceedings ✓ Abstract of thesis ✓ International students only: results of TOEFL (English proficiency) test
--	--

The supervisors will consider your application and contact you accordingly. If you are not contacted by any researchers from the department, please consider your application unsuccessful. Due to the great volume of applications we receive, I will not be contacting each unsuccessful applicant individually.
