

## Department of Process Engineering Internal Postgraduate Application Form

Thank you for your interest in our Department. Please visit our [website](#) for more information on the specific programmes we offer. Remember to complete the [institutional application](#) in order to be considered for admission and supervision at the Department. Email the completed form, as well as the supporting documentation listed below, to [Mieke de Jager](#).

### Compulsory supporting documentation required:

- ✓ Complete academic record
- ✓ Certificates of qualifications
- ✓ Three reference letters
- ✓ Copy of ID / Passport

### Optional supporting documentation:

- ✓ Curriculum vitae
- ✓ List of publications and conference proceedings
- ✓ Abstract or complete master's thesis
- ✓ International students: results of TOEFL (English proficiency) test, if necessary

Reference letters should include an indication of your abilities regarding independent scientific work, understanding of technical concepts, design, execution and interpretation of scientific experiments, and technical writing ability.

The supervisors will consider your application and contact you accordingly. If any supervisors from the department do not contact you, please consider your application unsuccessful. Due to the great volume of applications we receive, we will not be contacting each unsuccessful applicant individually.

## FINANCIAL INFORMATION\*

Please explain your financial position, indicate if you need a bursary, and if you have any supporting funding to offer.

How many people are or will be financially dependent on you during the course of your proposed postgraduate studies?

\*The Postgraduate Diploma can only be completed on a full-time registration basis. No funding is available for PG Dip candidates. A personalised quote for tuition fees can be generated [here](#).

Candidates are encouraged to source their own funding, **especially international applicants**. Funding is offered at the discretion of the supervisor, subject to availability, academic record, and programme type. Any bursary awarded by the Department is only enough to cover the minimum expenses of a single person living and studying in Stellenbosch and will not be enough to cover expenses of dependents at home.
