

BURSARIES OPEN!

CLOSING DATE | 14 JULY 2020

Our priorities are the safety and health of all our people and the continuity of our business during this challenging time. We are unable to accept manual applications during this process. The application process will be supported by an online, digital platform as detailed here.

WeCare
Protecting our wellbeing
during Covid-19

Anglo American Platinum's bursary and scholarship schemes are mainly designed to give young professionals an entry point into the company, the mining industry and the job market.

DO YOU HAVE WHAT IT TAKES?

THE TWO STUDY OPTIONS ARE

1

BURSARIES

Tertiary studies at a university or university of technology. Anglo American Platinum offers bursaries to all learners countrywide. This includes components of practical training prior to, and during, tertiary studies.

2

SCHOLARSHIPS

Anglo American Platinum offers scholarships to learners from our host communities.

TERTIARY ROUTE...

What is required from you?

FOR ENGINEERING BURSARIES

Applicants must have passed Grade 12 with mathematics and physical science with a pass rate of at least 60% plus English. Applicants must pass the medical fitness examinations.

FOR THE METALLURGY, GEOLOGY, ROCK ENGINEERING, CHEMISTRY AND MINING BURSARIES

Applicants must successfully complete their 3rd year of study in 2020, passing all their modules. Applicants must pass the medical fitness examinations.

EXPOSURE YEAR PROGRAMME...

Before bursars attend universities as a school leaver or matriculant, they will get the opportunity to thoroughly investigate and confirm their chosen career choice before embarking on full-time studies, by working for up to a year under professional practitioners.

SCHOLARSHIPS...

What is required from you?

Applicants must meet the following requirements to be considered:

- Any field of study,
- If in Grade 12, you must submit Grade 11 results stamped by your school (submit provisional acceptance at a tertiary institution),
- Must pass all subjects currently registered for at tertiary institution, and
- Must reside within 50km radius from our operations – proof from your traditional or municipal councillor (stamped document).

HOW TO APPLY FOR A BURSARY OR SCHOLARSHIP

STEP 1

Decide which field of study you would like to follow.

Ensure that you have an email address (if you do not have one, please create a Gmail account).

Visit <https://support.google.com/mail/answer/56256?hl=en>

Ensure that you have copies of your latest transcripts, previous year's results and a CV with all the relevant information.

STEP 2

You must then log on to the Anglo American Careers Page at <https://www.angloamerican.com/careers/job-opportunities/apply>.

Search for the desired bursar title or for the reference numbers below.

The reference numbers are:

1. Bursars Mining - Reference number: REF1242H
2. Bursars Rock Engineering - Reference number: REF1230P
3. Bursars Geology - Reference number: REF1244M
4. Bursars Engineering - Reference number: REF1176U
5. Bursars Chemistry - Reference number: REF1195X
6. Bursars Metallurgy - Reference number: REF1209S
7. Platinum Scholarship - Reference number: REF1168M

When applying for the bursary or scholarship programme, ensure all the questions are answered and the relevant documentation is uploaded, including:

- A certified ID document,
- Your Grade 11 results that have been stamped by your school; or, if you have completed Grade 12, a certified copy of your Grade 12 certificate,
- Your latest transcripts and previous year's results, and
- a CV with all the relevant information.

STEP 3

You will receive an email confirming your application and you can follow-up on your application status by accessing it through the SmartRecruiters portal at: <https://www.smartrecruiters.com/account/sign-in>.

DO YOU QUALIFY FOR A BURSARY OR SCHOLARSHIP?

The Anglo American Platinum's contractual bursary is open to anybody across South Africa and not only provides these bursars with an academic qualification, it also gives them all the skills they will need to launch a successful career in the Company and in the mining industry.

The Anglo American Platinum scholarship, which is more flexible (open to any field of study), provides opportunities for learners in our host communities in order to enter the job market in the career of their choice – covering registration, tuition and textbook costs, medical cover and a computer allowance.

Real Mining. Real People. Real Difference.
